OUR NEW SERVICE CATALOGUE

2023

Kogwheel Consulting Ltd has been contributing successfully to the field of employee selection and development for more than 20 years. During this period, we have implemented a number of successful international projects in the CEE region. We are constantly growing and we have doubled our sales revenue in the last year.

Our highly trained and experienced consultants help companies select new employees (**recruitment**), **develop individuals, teams, and entire organizations**, resolve conflicts or new situations within the company, and even deal with possible **outplacement**.

The leading consultants of Kogwheel Consulting Ltd have a degree in professional psychology and more than 20 years of HR and complex organizational development experience. Our trainings are available in Hungarian, English, French, German and other languages upon request.

Kogwheel Consulting Ltd is aware that its clients have special expectations, therefore we offer tailor-made solutions. With our knowledge and experience, we support the employees of the client organizations in their work, helping them to cope with challenging situations.
